

IBOBA INSURANCE PROGRAM

9/30/22-9/30/23

Marsh USA Inc., acting as the insurance broker, proudly services Independent Business Owners (IBOs) with their commercial general liability and business property insurance needs. Commercial insurance coverage is provided for all participating members of the Independent Business Owners Benefits Association (IBOBA).

Liability exposure affects any business in today's marketplace. Such exposure might even prove to be fatal to those businesses that operate without commercial insurance coverage.

General liability insurance protects IBOs against occurrences of bodily injury, property damage, and personal injury during the conduct of their Independent Business. The IBOBA insurance program provides IBO policyholders the ability to quickly obtain certificates of insurance evidencing coverage, as needed for any particular event or meeting. Email Marsh USA Inc. at IBO.certificates@marsh.com to request certificates of insurance. Certificates of insurance typically take 2-3 to issue.

Business personal property insurance protects IBOs against losses resulting from direct physical damage to personal property from any external cause, except as excluded. The personal property must be used primarily in the conduct of the IBOs business. Even when operating an Independent Business from home, the business personal property may be uninsured without a commercial policy.

The following highlights the insurance coverage available through the IBOBA insurance program; however, actual policies will control all insurance coverage options.

Property and general liability claims services are available from Marsh USA Inc., please refer to contact information.

Please Note

The IBOBA Insurance coverages have annual aggregate policy limits for certain perils. This is the most that the policy will pay for such losses incurred by all IBOs in the aggregate incurred during the policy year. Once exhausted, the policies will not respond. Property claim reporting procedures require that a detailed Proof of Loss is filed with the Insurance Company, or its agent, within ninety (90) days after the loss becomes known to the insured, unless the Insurance Company, or its agent, extends such time in writing.
